REQUEST FOR CERTIFICATE OF CORRECTION

Commissioner for Patents:

A certificate of correction is respectfully requested in the above-identified patent.

The following errors have been made:

In the Title Page, Item (73), Assignee information, the information for the second named Assignee has been incorrectly entered as "STMicroelectronics SDN, BHD, Jahore (MY)". The entry should read --STMicroelectronics Sdn., Bhd., Muar (MY)--. This information was supplied on the original ADS sent to the USPTO on December 3, 2001, and recorded by the USPTO on the Assignment Recordation Document, Reel 012527, Frame 0545, dated January 18, 2002.

In column 4, claim 5, line 28, as amended in the Response to the Office Action filed on April 25, 2005 a typographical error occurred in the phrase "...shorter a diameter of said air vent." The phrase should read --...shorter than a diameter of said air vent.--. Due to claim canceling and renumbering, claim 5 of the issued patent was claim 3 during the prosecution of the application.

SEP 4 2007

Attached is the certificate of correction, which indicates the corrections to be made, by reference to the column and line numbers in the printed patent. Because the errors were made by the Patent Office, no fee is necessary. However if they are determined to be our errors, the Director is hereby authorized to charge payment of any fees associated with this communication to Deposit Account No. 19-1090.

Respectfully submitted,
